## Fire Marshal's Office

The Applicant is required to review the following provisions of the Statewide Fire Prevention Code and its referenced standards. After reviewing each provision, the **Applicant must initial each item to acknowledge their review and agreement to comply with the requirement.** If the requirement is not applicable to the application, the Applicant is to write N/A in place of their initials.

- Safety devices on LP-gas containers, equipment and systems shall not be tampered with or made ineffective.
- “No Smoking” signs comply with section 310 shall be posted. Smoking within 25 feet of a point of transfer, while filling operations are in progress at LP-gas containers or vehicles, shall be prohibited.
- Weeds, grass, brush, trash, and other combustible materials shall be kept not less than 10 feet from LP-gas tanks or containers.
- Where exposed to vehicular damage due to proximity to alleys, driveways or parking areas, LP-gas containers, regulators and piping shall be protected in accordance with NFPA 58.
- Portable fire extinguishers complying with Section 906 shall be provided as specified in NFPA 58.
- Storage of portable LP-gas containers of 1,000 pounds (454 kg) or less, whether filled, partially filled or empty, at consumer sites or distribution points, and for resale by dealers shall comply in accordance with this permit.
  - Exceptions:
    1. LP-gas containers that have not previously been in LP-gas service
    2. LP-gas containers at distribution plants
    3. LP-gas containers at consumer sites or distribution points, which are connected for use.
- LP-Gas containers in storage shall be stored in a manner that minimizes exposure to excessive temperature rise, physical damage or tampering.
- LP-Gas containers shall not be located near exit access doors, exits, stairways or in areas normally used, or intended to be used, as a means of egress.

### Permit Certification

By my signature below, I hereby certify that I have read and examined this application and that all the information contained therein is true and correct. Furthermore, I certify that the proposed operations will fully comply with the requirements contained in The Virginia Statewide Fire Prevention Code and any other related laws and /or Codes. I agree to indemnify, save harmless, and defend Bedford County, its agents, and employees, from all claims, damages, costs, expenses, and charges, including attorney's fees, which arise out of or by reason of these operations.

I acknowledge that if a permit is issued based on this application, it shall only be valid with in the building, facility, and/or location listed on this application for the specific date(s) and time(s) for which it is issued.

I acknowledge that approval of this application does not constitute permit issuance. Permit issuance does not occur until the completion of an on-site inspection by the Bedford County Fire Marshal's Office.

I acknowledge and understand that any violations of the Virginia Statewide Fire Prevention Code and/or the requirements of this permit may result in immediate permit suspension or revocation.
